Subject: Please change tree regulations

██████████ ██████████

Please work with DIT and all government departments to communicate about infrastructure so that we can plan for a future with growth of people and trees, and open green and cooling space.

Trees are so important, and please address the size of Heritage and regulated.

I am shocked that we also do not have a standard for arborists and tree removers.

all developers would like is an even playing field, lets incentivise them to keep larger trees rather than the current "scorched earth policy"

Please promote permeable services in the developments, and help provide incentives to grow and keep large trees for Council and residents.

Yours sincerely,
Clare Lindop
