

Application contact search

The search is not case sensitive.

Searching by contact name will return matching results from the following contact types: *applicant, primary contact, land owner* and *builder*.

A surname containing an apostrophe, for example O'Connell, a search with the apostrophe (') will return results.

Location address search

The search is not case sensitive.

The location search only accepts the abbreviated name for example ST (Street), RD (Road) and AV (Avenue). Will not return results for Street, Road, Avenue etc.

An address containing a street number range the search will list applications containing the street number range, with a hyphen, spaces or without spaces in the address for example 89 - 91 ARTHUR ST or 89-91 ARTHUR ST or 89 -91 ARTHUR ST.

A street name containing an apostrophe, for example O'Connell, a search with or without the apostrophe (') will return results.
