I object to the proposal to remove the requirement to inform neighbours of development plans. I believe it is a right for a neighbours view to be considered.

There are multiple examples of errors being made due to insufficient consultation.

I do not trust politicians and /or bureaucrats to make decisions which may have a significant impact on an individual without hearing their view.

For example the Labor Party statement on imputation credits before the last election.

Subject: Draft Planning and Design Code Submission
Date: Tuesday, 25 February 2020 1:49:37 PM

Good afternoon,

Mr Phil Plummer has requested we provide his submission on the draft Planning and Design Code. Please find Mr Plummer's submission below.

"Draft Planning & Design Code: I am opposed to the proposal to remove the requirement to inform neighbours of developments which may affect them. I believe that decisions made by bureaucrats and /or politicians without proper consultation are fraught with danger. For example the Labor Party proposal on imputation credits at the last federal election. Don't treat the voters with contempt."

Kind regards,

Natalia Reveruzzi
