

TO: DIT PLANNING REFORM SUBMISSIONS

I wish my opinions on the Revised Planning & Design Code to be considered in this submission.

I have ticked the boxes that concern me.

I oppose the proposed provisions in the Master Planned Neighbourhood Zone in Northfield that will allow up to 6 storey dwellings, and prefer the cap to be 3 storeys as current.

I oppose the proposed provisions in the Master Planned Neighbourhood Zone in Northfield that will allow a Hotel or Fast Food Establishment in the Shopping Precinct - the current provisions banning these must be kept.

I support the current provisions in the Northfield Suburban Neighbourhood Zone which local residents, the City of PAE and the landowners agreed to in 2017.

I also wish to add other comments on a separate sheet or as part of my email submission.

TO: DIT PLANNING REFORM SUBMISSIONS

I wish my opinions on the Revised Planning & Design Code to be considered in this submission.

I have ticked the boxes that concern me.

- I oppose the proposal to cut minimum private outdoor open space for dwellings to only 24m²—it should be more, such as a minimum of 25% of site area.
- I oppose any proposal to lessen public consultation or taking away third party appeal rights that currently exist.
- I oppose the proposal to increase the allowable retail floor space in the proposed General Neighbourhood Zone.
- I oppose the proposed provisions in the Master Planned Neighbourhood Zone in Northfield and wish to see the existing provisions of the Northfield Suburban Neighbourhood Zone kept.
- I also wish to add other comments on a separate sheet or as part of my email submission.
