Dear Mr Reynolds *David*

Approval of the Hackham Code Amendment

I write to advise that, under section 73(10)(d) of the *Planning, Development and Infrastructure Act 2016* (the Act), I have now adopted the Hackham Code Amendment with alterations to what was outlined in the engagement report.

I have considered the issues raised through the engagement process, the recommended changes outlined in your engagement report, as well as advice provided by the State Planning Commission.

I have determined to make the following alterations in addition to what is outlined in the engagement report:

- Amend Concept Plan 124 – Hackham to identify contours and areas of steep sloping land.

The Code Amendment will come into effect when published on the PlanSA Portal (i.e. when consolidated into the online Planning and Design Code), which is anticipated to occur in February 2023.

A copy of the final Code Amendment and Engagement Report are available to view on the PlanSA Portal at: https://plan.sa.gov.au/have_your_say/code-amendments.

Thank you for leading the process and completion of the engagement report for this important Code Amendment that will respond to the current shortage of land and housing supply in the Outer South Region of Metropolitan Adelaide.

Yours sincerely
