

How to display applications with in-progress development approval

Homepage tab: Applications in Progress

Indicates DAP Classic status is available.

Basic Steps

1. Select **Applications in Progress** in the homepage.
2. Select Status to refine the list of applications by development approvals *in progress*, *on hold – deemed consent being finalised*, *on hold – development approval (applicant request)*, *on hold – response to reserved matters required* and *pending resolution of inconsistency*.
