## Consultation Submission Form

**Q14** Please enter your general feedback here

Hello Team,

I wish to live in a Tiny House On Wheels [THOW].

I may buy a small lot with no buildings but services nearby,

or

I may decide to lease a small area of private land with no services however, my THOW is totally off-grid.

After making written inquiries to many council planning departments I find that they may define a THOW from being a caravan to an out building and as such I am unable to legally reside permanently in it when parked as above.

Council planners state to me that they do not possess codes to allow THOW living in this State.

I know of many South Australians who either reside in a THOW illegally or wish to and will not because of the placement insecurity.

The Tiny House [TH] movement is growing world wide and will continue to do so. This is clearly illustrated by the inter-state growth of TH manufacturers, TH communities and families now living in THOW.

I wish to submit to the Planning Commission that amendments to the new planning codes are MADE to allow South Australians to take advantage of this exciting and innovative form of shelter and give councils specific planning tools to allow this to take place.

Thank you.

Rob Mair.
