Thank you for inviting our response.

We live at [REDACTED] Toorak Gardens Adelaide SA 5065 and strongly support the comments made by the Burnside Council.

We think that making the changes in the Planning and Design Code is an arbitrary and unjustified interference with our rights to our home and neighbourhood and violates the International Bill of Rights to which Australia is a signatory and have suggested to our council that that they continue to pursue their position as well as seeking legal advice.

We sincerely hope that the comments submitted by Burnside Council are recognised as being reasonable and are accepted.

We would be happy to respond to requests for further clarification.

Beverly and Dr Patrick Phillips
