Your Feedback

Block sizes minimum 350sq m for single dwelling no negotiation for any thing smaller north of Seacombe Road

10 metres frontages for single dwelling north of Seacombe Road

All developments MUST have off street parking for 2 cars

All developments MUST have one tree ,at least ,per dwelling in the development planned for north of Seacombe road

40% site coverage for single house north of Seacombe road

This should be the minimum for ALL proposed developments.In ALL council areas but particularly in the Marion Council area.
