

## Request for 'call-in' status – SPC Assessment

This form is used to supply the Minister for Planning and Local Government (the Minister) details of a development application and the rationale for a 'call-in' process to occur.

Applicant:	
Contact Name:	
Email:	
Phone:	
Site Address:	
Proposal:	
Expected Development Cost (from quantity surveyor):	\$
Expected construction jobs:	FTE
Expected ongoing jobs:	FTE
Current Zone, Subzone, Overlays:	
Request trigger of PDI Act:	94(1)(g) <input type="checkbox"/> or 94(2) <input type="checkbox"/>

To support your request for a 'call-in' it is recommended that you supply the following to enable consideration by the Minister:

1. A package of plans including this form, scaled site plans, floor plans, elevations and cross sections as required.
2. A planning report by an [Accredited Professional](#) outlining in detail the rationale for the 'call-in' request (addressing Section 94(2) of the *Planning, Development and Infrastructure Act 2016*).
3. Any other documentation which would support the Minister in making their decision. i.e. due diligence, scoping studies, landscaping plans, stormwater, traffic, staging, signage etc.

Email your package of information to [plansa@sa.gov.au](mailto:plansa@sa.gov.au) and an officer from the Attorney-General's Department will be in contact.
