Homepage Extended Search

In addition to the **Applications in Progress** dashboard a list of active applications by lodgement date can be found using the homepage **Extended Search** option.

Instructions

1. Click on **Extended Search**.
2. The Extended Search panel and results display.
3. Select *Lodged* from the **Application status** field.
4. Enter a *lodged date* or *date range*.
5. Click **Refine**.
6. The **Refined search results** will display lodged applications. Limited to a maximum of 1000 records.

If no search results returned, update the date or date range.
