

How to display applications with in-progress development approval

Homepage tab: Assessment in progress

 Indicates DAP Classic status is available.

Basic Steps

1. Select **Assessment in Progress** in the homepage.
2. Dashboard will default to **assigned to me only**. Change to **assigned to my Council** (or equivalent) to view all applications within your organisation.
3. Refine the list by **Type** selecting DA (development approval).
4. To further refine select all the active statuses for a development approval, includes *awaiting additional payment, in progress, inconsistent, on hold* and *on hold applicant request*.
