PREPARED FOR KANGAROO ISLAND PLANTATION TIMBERS BY ENVIRONMENTAL PROJECTS  
JANUARY 2019

APPENDIX V

**APPENDIX V – EIS STUDY TEAM**

**V** EIS Study Team.....

Appendix V –  
EIS Study Team

<b>Core EIS Study Team</b>		<b>Role for EIS</b>
John	Sergeant	KIPT Managing Director
Peter	Lockett	KIPT Approvals Manager
Maria	Pedicini	EIS Manager
Cathryn	Charnock	Lead Editor/Document Production Manager
Lisa	Baillie	Core EIS Study Team
Patrice	Brown	Core EIS Study Team
Prof. Anthony	Cheshire	Core EIS Study Team
David	Cole	Core EIS Study Team
Richard	Lewis	Core EIS Study Team
Callum	Little	Core EIS Study Team
Joe	Pedicini	Core EIS Study Team
Tegan	Stehbens	Core EIS Study Team
David	Wiltshire	Core EIS Study Team
Dave	Winterburn	Core EIS Study Team
Laura	Zafry	Core EIS Study Team
<b>Core EIS Support</b>		<b>Role for EIS</b>
Environmental Projects		Project management, information and data management, mapping, administration, impact and assessments, environmental management, hazard and risk assessment; stakeholder engagement and consultation
Cathryn Charnock Corporate Publishing		Document editing/design, formatting, print production, graphics/illustrations, website design and management
CQG		Internal peer review

<b>Technical Experts</b>	<b>Role for EIS</b>
Austral Archaeology	Historical research
BDO Econsearch	Economic analysis
BMT	Marine data collection, survey, assessment and modelling; whale strike modelling; coastal processes modelling; water quality modelling
Brian Cunningham and Associates	Stakeholder Reference Group – Workshop Chair
Cole Solicitors Environmental Lawyers	Legal review
COOE	Marine sediment survey and assessment
CMW Geosciences	Geotechnical survey (marine)
DHI Water and Environment	External peer review (marine modelling)
EBS Ecology	Flora and fauna survey, native vegetation survey (roads); GIS support
EBS Heritage	Heritage surveys
Econsearch	Economic impact assessment
Environmental Projects	Geology, soil, surface water and groundwater assessment and site investigation
Flinders Ports Hydro Survey	Geoacoustics survey (marine)
HDS Australia	Traffic impact assessment
Intertek	Ecotoxicology assessment
Jacobs Group Australia	Air quality modelling
Maritime Constructions	Marine infrastructure solutions
Maritime Heritage Surveys	Maritime heritage assessment
Moto Projects	Project scheduling
Osman Solutions	Transport assessment
PI Service Solutions	Aerial Imagery and 3D model development
Resonate Consultants	Noise survey, assessment and modelling
South Australian Research and Development Institute (SARDI)	Collection of wild juvenile abalone
Science to Manage Uncertainty	Aquaculture research and assessment
Scenic Solutions	Visual landscape assessment
Simply Speaking	Stakeholder Reference Group – Workshop facilitation
Social and Ecological Assessment	Marine data collection; marine ecological survey; marine water quality and ecological assessments, coastal process assessment
Town Planning Advisors	Planning assessment
University of Adelaide, Adaptation Community Environment (ACE) Research Group, Faculty of Arts	Social impact assessment
University of Adelaide, Centre for Automotive Safety Research (CASR)	Road safety, policies and practices
Wallbridge Gilbert Aztec (WGA)	Civil and marine engineering; stormwater management strategy; geotechnical survey; traffic and transport studies
