To whom it may concern,

I am writing to express my **strong objection** to Mile End being rezoned to a 'housing diversity neighbourhood zone'.

I live in Roebuck Street, Mile End and it is my opinion as an owner/resident that the area be classified as a 'suburban neighbourhood zone'. It is a beautiful place with old house dwellings that tell the story of generations and cultures that have lived here. Please respect the heritage and the homes that make this area rich and vibrant.

Kind regards,  
Helen
