Hi there,

I am a home owner and resident at [REDACTED], Torrensville, and am writing you to object to the proposal that my area be included in the "Housing Diversity Neighbourhood Zone". I believe it is more appropriate that the area be classified as a "Suburban Neighbourhood Zone" in keeping with the rest of Torrensville, Mile End and Thebarton.

I would appreciate a reply to this email at your earliest convenience.

Regards,

Peter Drivas
