Subject: PROPOSED CHANGES TO PLANNING AND DESIGN CODE BY SA STATE GOVERNMENT ---OBJECTION TO CHANGES
Date: Thursday, 27 February 2020 10:22:25 AM

Dear Sir/ Madam

We object to all of the proposed changes.

The current planning rules meet the State Governments desire for urban infill while offering protection to our Historic Zones the Environment and our great South Australian Life Style.

Please do not make any changes to the Planning and Design Code.

Yours faithfully

Peter and Diana Flaherty
