---

To Mr. Knoll

I understand that there is a new development planning law in the making which involves so many errors in mapping and intent that some of it makes little sense. Please will you delay the presentation of this law till there has been more public consultation, preferably after the changes have been made to the proposed draft, so that there are no misunderstandings in future.

Regards,

Jacky Gillyon,

West Lakes, S.A. 5021
