My concern lies with the proposed zoning for Kensington Park and Beulah Park. The State Government's new Draft Planning Code classes part of these suburbs as "General Neighbourhood". I see this as totally inappropriate for the character and 'livability' of this area, and request it be reclassified as "Suburban Neighbourhood Zone"

As a resident of Kensington Park I believe the classification of "General Neighbourhood" would undermine the quality of health and lifestyle for the residents who already live in this area. The new zoning would mean more traffic, more noise, less residential privacy, and less tree coverage. All these things would have a negative impact on the physical and mental health of the current residents. I request that this area be included as a "Suburban Neighbourhood Zone"
