My name is Mr Philip Woodley,

My wife and I live at [REDACTED] Torrensville,

I am writing to let you know that I do not want our area rezoned as “Housing diversity neighbourhood zone”.

But as in keeping with other local areas, of Mile End, Torrensville and Thebarton, we should be classified as “Suburban Neighbourhood Zone”.

We do not want multi story buildings commercial buildings or other high density buildings built in what is a suburban heritage housing area.

Thank you

Yours

PHILIP AND ENID WOODLEY
