Hi  
I live on [REDACTED]. The street is so small we can not get our cars out of the driveway! We struggle every morning and need to drive up on to the kerb. It is not acceptable. The footpaths are very wide and yet your council will not allow cutouts for parking.  
I have contacted the council on numerous occasions and now about to go to the ombudsman.  
Please come up with a solution.

Kind regards  
Jacqui and Gordon Richards
