

Introduction

This practice direction is issued by the State Planning Commission (“the Commission”) pursuant to sections 42(1) and 125 of the *Planning, Development and Infrastructure Act 2016* (“the Act”).

Practice direction

Part 1 – Preliminary

1 – Citation

This practice direction may be cited as the *State Planning Commission Practice Direction 11 (Deemed Planning Consent Standard Conditions) 2020*.

2 – Commencement of operation

This practice direction came into operation on 1 July 2020.

Version 3 of this practice direction commences operation on 5 September 2025.

3 – Object of practice direction

The object of this practice direction is to prescribe standard conditions pursuant to section 125(5)(b) of the Act where deemed planning consent is taken to be granted under section 125(3) of the Act.

4 – Interpretation

In this practice direction, unless the contrary intention appears –

Act means the *Planning, Development and Infrastructure Act 2016*.

Note: Section 12 of the Legislation Interpretation Act 2021 provides that an expression used in an instrument made under an Act has, unless the contrary intention appears, the same meaning as in the Act under which the instrument was made.

Part 2 – Deemed Planning Consent

5 – Prescribed Conditions for the purpose of Deemed Planning Consent

- (1) The standard condition(s) listed at Attachment 1 of this practice direction are, in accordance with clause 5(2) below, prescribed for the purpose of a deemed planning consent taken to be granted pursuant to section 125(3) of the Act.

- (2) Where the application is for development that is or includes development described in Column 1 of Attachment 1, the conditions listed in the corresponding Column 2 of Attachment 1 are prescribed for the purpose of the deemed planning consent that is taken to be granted in relation to that application.

6 – Notification of Deemed Planning Consent Notice

Where a person has issued a Deemed Planning Consent Notice (“the Notice”) to a relevant authority pursuant to section 125(2) of the Act, the relevant authority to whom the Notice is addressed must, upon receipt of the Notice, provide a copy of the Notice to:

- a. Any other relevant authority that has given or is considering another development authorisation relating to the same development; and
- b. If the application was referred to a prescribed body under section 122 of the Act—to that prescribed body or bodies; and
- c. If the owner of land to which the application related is not a party to the application – to the owner of that land; and
- d. If any person has made a representation to the relevant authority in respect of the proposed development – to that person or persons; and
- e. In the case of restricted development, the Environment, Resources and Development Court.
