

How to display applications with a consent decision

Side-menu: Assessments

 Indicates DAP Classic status is available.

Basic Steps

1. Select **Under Assessments** in the homepage side-menu.
2. In the opened **Assessments** dashboard select the **Completed Assessments** tab.
3. The **completed** tab shows each consent decision for an application.
4. Further refine the list by **consent type**, **consent decision** and **decision date**.

More information

Lapsed (Expired)

Is shown when the authority has lapsed either the consent or development approval when relevant operative dates have been exceeded (i.e. commencement or completion).

Retracted

The *Retracted* status occurs where an appeal has reversed the planning or planning & land division consent decision to 'refused' which retracts the development approval.

Withdrawn

Is the status for applications that have been withdrawn.
