To whom it may concern,

I am contacting you as a resident of Beulah Park with regards to the proposed changes to the Beulah Park and Kensington Park areas affecting their reclassification as "General Neighborhood" Zone.

Having lived in Beulah Park for many years now and enjoyed the lifestyle, community spirit and amenities offered by the area, I am requesting that the areas stays as Suburban Neighborhood Zone rather than being reclassified as a General Neighborhood Zone.

Many thanks,  
Silvia Bacon
