I am writing as a concerned resident re: the impact of the proposal to rezone Linden Park to a General Neighbourhood Zone. This could reduce block sizes to 200sm meaning an 800sm existing block being divided into four dwellings. The impact of rezoning suburban to General Neighbourhood Zone would result in greater/closer concentration of housing and street parking, a reduction in green space and an increase in pollution. I live in this area for the exact opposite reasons. It is a beautiful area and I strongly oppose the rezoning of this area.
