TO: DIT PLANNING REFORM SUBMISSIONS

I wish my opinions on the Revised Planning & Design Code to be considered in this submission.

I have ticked the boxes that concern me.

- I oppose the proposed provisions in the Master Planned Neighbourhood Zone in Oakden to allow up to 6 storey dwellings.
- I oppose the proposed provisions in the Master Planned Neighbourhood Zone in Oakden that will have no minimum allotment size and force more on street car parking.
- I oppose the changes from the current Residential Comprehensive Zone to the proposed new General Neighbourhood Zone.
- I believe that the whole of the residential portion of Oakden should have the same zoning.
- I also wish to add other comments on a separate sheet or as part of my email submission.

My details are below and I understand they are not made public:
