Dear Sir/Madam,

i would like to express my ideas that i am not happy with the way decisions are made about the use of the land we own in Kudla area. there are issues that require to be reviewed and consider the way the residents wish to use their land:

- We pay a very high rate of taxes on our land and we do not get anything back from the council that could help improve our environment
- Our roads are not sealed and it is very dusty when cars use the road
- there are no street lights in this area and it is very dark at night, we do not feel safe
- Main Water supply needs to be reviewed
- We want our lands to be subdivided into smaller blocks. this way we can have access to basic services such as shops, recreational parks and foot paths, etc.

My address is [REDACTED] Kudla, Mobile is [REDACTED].

i hope that these issues will be looked into

Kind regards

Cesarie Yamuragiye & Paul Sentashya
