To Whom It May Concern

Re; Draft Planning and Design Code

I am a resident of Rose Park and am most concerned about the proposed changes to the Planning and Design Code.

I wish to register my deep concern that all residential areas within the City of Burnside be protected from changes that will cause the deterioration of the heritage ambience of our neighbourhood. We currently enjoy a unique village atmosphere which I believe must be protected at all costs. Once large companies are permitted to build unsightly and busy business ventures or shops, this precious area that we live in will become commercial and lost forever.

Yours sincerely
Betty Huntley
