Subject: Submission - Phase 3 Consultation, Planning and Design Code

Dear Sir/Madam

I note that there is a Local Heritage Place Overlay for the property addressed as [REDACTED] Street, Forestville.

The following information appears under the Local Heritage Place Overlay:

- Id 03602
- Name Local Heritage Place

Having checked the Unley (City) Development Plan and the SA Heritage Places Data Base Search, I note that this property is not listed as 'Local Heritage'.

I kindly ask that the Local Heritage Place Overlay be removed from this property.

Yours sincerely
Helen Walkom
