Mr Craig Holden  
Chair  
State Planning Commission

By email: [saplanningcommission@sa.gov.au](mailto:saplanningcommission@sa.gov.au)

Dear Mr Holden

~~Mr Holden~~ *Craig*  
I write to advise that under section 73(10) of the *Planning, Development and Infrastructure Act 2016* (the Act), I have considered the issues raised during the engagement period and have now adopted the Miscellaneous Technical Enhancements Code Amendment (the Code Amendment).

I would like to congratulate the State Planning Commission (the Commission) and Planning and Land Use Services (PLUS) for completing this important piece of work. In adopting the Code Amendment, I am of the view that the changes it will now make will deliver a range of improvements to the Planning and Design Code to support quality planning outcomes across the State.

The Code Amendment will come into effect when consolidated into the online Planning and Design Code and published on the PlanSA Portal at [https://code.plan.sa.gov.au/home/browse\\_the\\_planning\\_and\\_design\\_code?code=browse](https://code.plan.sa.gov.au/home/browse_the_planning_and_design_code?code=browse).

Accordingly, I now request that the Commission provide me with a report on the Code Amendment for review by the Environment, Resources and Development Committee of the Parliament of South Australia (the Committee) in accordance with section 74 of the Act. I am required to provide this to the Committee within 28 days of the amendment taking effect.

For further information please contact Damien Gencarelli, Team Leader – Code Drafting, PLUS on (08) 7133 2282 or by email to [Damien.Gencarelli2@sa.gov.au](mailto:Damien.Gencarelli2@sa.gov.au).

Yours sincerely
