Homepage Extended Search

In addition to the **Applications in Progress** dashboard a list of active *applications* can be found using the homepage **Extended Search** option.

Instructions

1. Click on **Extended Search**.
2. The Extended Search panel and results display.
3. Select *Lodged* and *Submitted* from the **Application status** field.
4. Enter a *date* or *date range* as required.
5. Click **Refine**.
6. The **Refined search results** will display submitted and lodged applications. Limited to a maximum of 1000 records.

If no search results returned, update the date or date range.

The screenshot displays the PlanSA Development Application Processing homepage. The top navigation bar includes a search bar with the text "Search all applications" and a "SEARCH" button. The main content area is titled "YOUR APPLICATIONS" and features a banner with a welcome message. On the right side, the "Extended Search" panel is visible, containing filters for Location, Additional location information, Contact, Nature of Development, Certificate of Title, Plan Parcel, and Application status. The "Application status" filter is set to "Lodged, Submitted". Below the filters, there are "RESET" and "REFINE" buttons. The "Refined search results" section displays a table of applications, with a maximum of 416 out of 416 applications shown. The table columns are Application ID, Location, Nature of Development, Owner, Title Ref, Plan Parcel, and a combined column for Lodged and Status. The table shows three rows of data, with the last row highlighted by a dashed orange box.

Refined search results

Displaying a maximum of 416 out of 416 applications, ordered from most recent to oldest based on the applied search criteria.
