District Council of Peterborough does not support our residential zones being changed to "suburban". We are a small regional area and as such do not have suburbs. This zone should remain as residential. As per the Community Engagement charter, multiple regional training sessions should be provided at many different locations by the Department to enable all regional councils to attend as much as training about the new code as possible. City based training is not viable for small regional councils, due to staff availability, cost as well as the length of time required for travel. Regional councils should be provided with as many resources as possible by the Department - for example kiosks in front reception areas for members of the public to access if necessary. Thank you.
