Q14 Please enter your general feedback here

The presentation of material and comment has been overwhelming and very difficult for a lay member of the public to get their head around, let alone make constructive comment. I am making this comment as a private individual, but have allowed insufficient time to study all of the complex documents. Many of my concerns are shared by Friends of Parks Inc, a conservation group who has devoted far more time to this than I have. I have seen their submissions, and wish to support them.
