Subject: Subject: Proposed Draft Planning Code (Urban)
Date: Wednesday, 26 February 2020 8:02:30 PM

Hi

Without being too specific, we would like to convey our comments re proposed DPC changes that would :

1. lead to reduction in allowable allotment sizes (already smaller than desirable)
2. increase residential density which leads to increase in traffic, and parking issues
3. reduce council involvement/control in development

Regards

Brenton and Shirley Prior
