To whom it may concern,

I am writing this on behalf of my sister and self. My name is Maria Skouroumounis. My sister is Ana Skouroumounis. We live at [REDACTED] MILE END SA 5031 It has been brought to our attention that the State Govt is planning to rezone our section of MILE END.

Both my sister and I **DO NOT approve and most certainly OBJECT to the proposal** of our area becoming a '**Housing Diversity Neighbourhood Zone**'. For the sake of our community, amenity and heritage, **we want it to continue be classified as a 'Suburban Neighbourhood Zone', in keeping with the rest of Mile End, Torrensville and Thebarton.**

We want to save our suburb and continue to enjoy our vibrant and diverse community. Having lived here since 1993 we have seen several changes already and though some might be considered progressive, many have caused disappointment e.g. beautiful, historic old homes knocked down to make way for multiple housing. **We DO NOT want this proposal of rezoning approved.**

**Please DO NOT REZONE OUR SECTION OF MILE END, THEBARTON AND TORRENSVILLE.**

Yours sincerely,

Maria and Ana Skouroumounis
