Subject: Character Zone Marion Council

Good afternoon,

I'm a resident of Glandore and our suburb is zoned Character.

I am very worried about the pending changes to planning in our area and would like to understand the impacts it will have on our suburb, for example:

- Will the ability to demolish existing dwellings become easier under the new planning act?
- Will the minimum land size reduce?
- Will the minimum frontage reduce?
- Will the Zoning of this area change away from character?

Your assistance to clarify these points would be greatly appreciated.

Kind regards
Laura
