

State Planning Commission Members – Code of Conduct

Introduction

Under Schedule 3 of the *Planning, Development and Infrastructure Act 2016* (PDI Act) the Minister may adopt a code of conduct to be observed by members of the State Planning Commission established under the PDI Act. This code of conduct sets out standards of conduct and professionalism that are to be observed by all members of the State Planning Commission. This code of conduct must be read in conjunction with the Act.

For the purposes of the PDI Act, a key requirement is that all members of the State Planning Commission must carry out, and be seen to carry out, their functions with the highest ethical standards so as to maintain public confidence in the integrity of the Act.

The code is a key tool to ensure that all members of the State Planning Commission act honestly and ethically with a high degree of accountability.

While some members of the State Planning Commission may also be bound by other codes of conduct or professional standards issued by their respective professional associations, they have no legal status under the Act. If there is a conflict between a requirement in this code of conduct and any other professional code or standard, this code prevails for the purposes of the Act.

Under section 15 of the PDI Act, all members of the State Planning Commission are subject to a statutory duty as described in the section as follows:
