Good evening

We currently have 2.7 acres which has been zoned "primary production".

This land size is not feasible for farming as it's too small and not cost effective.

Currently the area "kudla" has rundown glass-houses, overgrown weeds, no footpaths or areas for kids to play.

We would like to see subdivision allowed to reduce block sizes to a more manageable size, maximum 2000m<sup>2</sup>.

A rejuvenation of the area by creating some parks/play areas for families to enjoy and just brighten the area. If smaller allotments don't be approved, the area will stay a rundown "eyesore"
