**Subject:** City of Marion code

Hi,

Just received the flyer "The Planning and Design Code in the City of Marion.

Angry my tax dollar has been spent by you promoting the degradation of the area in which I live.

I fully support the City of Marion flyer and concerns raised therein.

I am vehemently opposed to the degradation proposed by the new planning and design code.

I believe local councils are in touch with the character of the area and are in a position to adequately plan for development within the area. I am vehemently opposed to creation of ghettos proposed by your code.
