

Statement: Character Preservation Districts

The 2018 Review of the *Character Preservation (Barossa Valley) Act 2012* and *Character Preservation (McLaren Vale) Act 2012* ([the Review of the CP Acts](#)) identified eight locations for further investigation by the State Planning Commission (the Commission).

On 5 August 2021, the Commission finalised its recommendations to the Minister for Planning and Local Government that no changes are undertaken to these eight locations, as the Commission has previously concluded there is sufficient land supply within Greater Adelaide to accommodate housing and employment growth over the next 15 years.
