### Planning and Design Code for South Australia

The land,  
should be rezoned to  
be smaller land size of around  
2000 sqm for better land management  
we are paying residential rates to the  
town of gawler. however I live on a  
dirt road, my mains water is from  
Stebanheath Road as well as my  
power, we have very little infrastructure  
& the area would benefit from further  
development.
