This submission relates to Urban Code. Phase three.

Anna Maitala

[REDACTED], Kudla 5115

Town of Gawler Council

email: [REDACTED]

Hello,

My name is Anna Maitala and I live in the Kudla area - Gawler council.

I recently sent an email to the Gawler council regarding the poor condition of our unsealed road (Panes Rd). The response I got back was 'you're on the list for your road to possibly be sealed in 3-5 years'.. now while that doesn't seem like a long time it is when our road is used as a thoroughfare for the Russian Church at the end of our road and people use the road as a race track where police have needed to be called some times. I have young children moved to the area for better living yet having to deal with high level traffic on a dirt road not to mention the dust bowl it turns into in Summer months.

I'm all for subdivision in our area for smaller allotments. We want to see development happening. At the end of the day that's more revenue for Govt with stamp duties and taxes and rates.

Our rates are one of the highest in the State yet we have only rubbish collection and no maintenance of roads or anything else.

Thank you for reading. I do hope we get some kind of action from DPTI cause we sure aren't from our local MP and council.

Kind Regards

Anna Maitala
