Mr Jon Whelan
Chief Executive
Department for Infrastructure and Transport

By email: jon.whelan@sa.gov.au

Dear Mr Whelan 

I write to advise that under section 73(10) of the *Planning, Development and Infrastructure Act 2016* (the Act), I have considered the issues raised during the engagement period and have now determined to alter and adopt the Tunnel Protection Overlay Code Amendment.

The alteration results in removal of superfluous policy that is now within the ambit of the *Planning, Development and Infrastructure (General) Regulations 2017*.

A copy of the signed Code Amendment is enclosed for your reference.

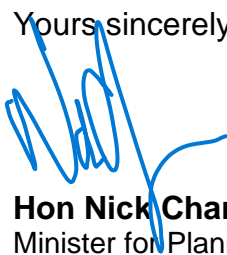

In altering and adopting the Code Amendment, I am of the view that Tunnel Protection Overlay will protect nationally significant transport infrastructure from encroachment of inappropriate development during the lifespan of the tunnel asset, during planning, construction and operation.

The Code Amendment will come into effect when consolidated into the online Code and published on the PlanSA Portal online at https://code.plan.sa.gov.au/home/browse_the_planning_and_design_code?code=browse. Planning and Land Use Services (PLUS) will advise you once deployment has been scheduled.

A copy of the Engagement Report is available to view on the PlanSA Portal online at https://plan.sa.gov.au/have_your_say/code-amendments.

For further information, please contact Ms Catherine Hollingsworth, Senior Planner, PLUS on 0457 837 760 or via email at Catherine.Hollingsworth@sa.gov.au.

Yours sincerely

Hon Nick Champion MP
Minister for Planning
