Subject: KEEP BEULAH ROAD AND KENSINGTON PARK A SUBURBAN NEIGHBOURHOOD ZONE

I am a resident of Kensington Park and I strongly oppose the proposed reclassification to General Neighbourhood. I do not want to see smaller allotments or your 'envisaged land uses'. This will increase traffic, parking issues, noise and will destroy the current character of this beautiful residential area.

NO to this reclassification.

NO to this dystopian, defunct high density government decision.

NO to lazy planning decisions from State and Local governments.

NO to having Burnside Planning Code pandering to developers and not rate payers.

KEEP BEULAH ROAD AND KENSINGTON PARK A SUBURBAN
NEIGHBOURHOOD ZONE

Regards, Roopa Howard on [REDACTED] Kensington Park
