We would like to see our Land
Subdivided into 2000 mtr. Blocks.

Mr, Mrs, Zappia
KUOLA.

We have been living in KUOLA for 31 years. We are the forgotten residents of KUOLA.
Much to our dissappointments and frustrations Gawler council has ignored our requests and needs to repair The roads, There is definately more traffic on Athol Rd and Clarence Rd. Athol Rd is The worst, lots of bumps and the dust is unbearable every time a car drives by! causing bad allergies for some. There are NO FOOTPATHS, WE STILL have septic tanks. We have a gum tree with The branches overlapping our Fence, Brankhes keep breaking off which is dangerous. One time it just missed my daughters car as she drove in, and another time busted our water meter e pipes. Not much was done. There are still branches That fall! Plus There is a lot of leaves on The road from The tree which is a fire hazzard. Council Should be cleaning That up, but They haven't. Its like we are invisible till council rates are DUE!! Why is this taking so long!!
